

2 Man Cruiser Rules

Two man cruisers are ment to be a fun low budget class. These are cars we race not race cars! The cars raced are *full-size* dimensions. The car is configured for operation by two people. The driver controls the steering and braking of the vehicle, while the passenger controls the accelerator, which is located on his side. The cruiser races feature no caution flags, except in special circumstances, which leads to many on-track incidents. If time is permitted we will run 8 lap heats, consi, and 15 lap features

1. Car must be stock. OEM parts only.
2. Remove all exterior trim and moldings.
3. Remove all glass, (windshield optional) including all glass in car door panels or you will not race.
